Our Purpose

The purpose of the Pearce 4 Kids (P4K) Summer Camp program is to provide a loving and stimulating Christian environment for children entering Kindergarten in the fall through children who are 12 years of age. The program is designed to meet the developmental needs of each age group with fun activities while attempting to determine and respond to the unique needs of each child.

P4K Camp is a ministry of Pearce Memorial Church. It offers a distinctive advantage because it allows us to help children know more about the love of Jesus and discover how the Bible's teachings apply to their lives.
